CALEDONIA
INVESTMENTS

Caledonia is a self-managed investment trust company investing in and actively managing a focused portfolio of significant stakes in companies and situations where we believe there to be good opportunities for building value. We usually take a board position in our investee companies. Our objective is consistently to achieve a long term shareholder return in excess of the FTSE All-Share Total Return whilst maintaining a progressive annual dividend.

Whilst the source of funding for new investments generally comes from our own resources, the policy of the board is to allow the company to enhance returns by incurring third party borrowings when appropriate up to a maximum amount of 20% of net assets.

Review

During the month, we invested a total of £12.5m. We invested £6.8m in convertible redeemable preference shares in Dewan Housing Finance, an Indian quoted home loan and mortgage provider in which we already hold a 2.2% stake. If the preference shares are converted, this further investment would increase our holding to 14%. We also made a number of smaller new and follow-on investments totalling £5.7m.

During the month, we completed the successful sale of our holding in Wallem, the Hong Kong-based shipping services group, to a company jointly owned by UK and Norwegian shipping investors for cash of £35.3m. Easybox, our wholly-owned European self-storage company, sold its Spanish operations for £13.5m, of which £7.0m was returned to Caledonia. The other significant realisation in the month was of our investment in the Polar Capital Market Neutral Absolute Return Fund for £11.1m.

As a result of the above transactions, our liquidity increased to £179.6m at the month end. On 17 March 2006, we announced our intention to propose an optional return of funds to shareholders of up to some £125m, by way of an elective special dividend and associated capital reduction. Full details of this are expected to be announced at the end of May.

Also during the month, we announced our agreement to take a 60% stake in Liberty Hermitage, a Jersey-based fund of hedge funds manager, which we expect to complete shortly and will involve us investing £21.9m. We also announced that Kerzner International, the resorts owner and operator in which we have an 8.0% stake, has agreed a cash bid at \$76 per share, subject to a 45-day period for active solicitation of a higher offer, valuing our holding at \$222.1m (£128.0m).
